Ain't no sunshine when she's gone

**Ami Emi G Ami**  
It's not warm when she's a way

**Emi Dmi**  
Ain't no sunshine when she's gone and she's always gone too long

**Ami Emi G Ami**  
Any time she goes a way

Wonder this time where she's gone

Wonder if she's gone to stay

Ain't no sunshine when she's gone and this house just ain't no home

Any time she goes away

And I know, I know, I know ...

Oooh I ought a leave the young thing alone but ain't no sunshine when she's gone

Only darkness everyday

Ain't no sunshine when she's gone and this house is just not a home

Any time she goes away

Any time she goes away

Any time she goes away
