I've been gone a long long time, waiting for you,

Emi H4
I didn't want to see you go, oh, no, no.

And now it's hurting so much, what can I do,

Cmaj Emi/Ais H4
I wanted you to be my wife.

The days are passing slowly, since you've gone,

your memories are all I have, yes I have.

I sit here waiting, but you'll never show,

without you I can't carry on, ooh my baby.

You said you'd always love me, all of my life

and then you said your last goodbye, yeah, goodbye.

Why the sudden changes, why all of the lies

I should have seen it in your eyes.

The endless hours of heartache, waiting for you,
my summer love has turned to rain, all the pain.
The silent emptiness of one sided love,
my life means nothing now, you've gone, ooh my baby.
